If you are an advertising agency or marketing company registering for one of your clients, you must indicate so and identify the participating organization. Receipt of your application and payment does not imply acceptance of your application. TECO Release and Indemnification Agreement for Parades

I am an authorized representative and do hereby agree to the following:

The undersigned float sponsor or participant (as the case may be) in the Parade hereby releases Tampa Historic Streetcar, Inc., The City of Tampa, and Hillsborough Transit Authority (collectively, the "Released Parties") from any and all loss, claim, damage, cost, expense or liability (whether arising from personal injury or damage to property, and including attorneys' fees and the costs of litigation) which the undersigned may sustain or incur from participation in the Parade and accepts full responsibility for any such loss. The undersigned hereby also agrees to indemnify, defend and hold harmless the Released Parties from any and all loss, claim, damage, cost, expense or liability (whether arising from personal injury or damage to property, including any damage to property of the Released Parties and including attorney's fees and the costs of litigation) which Released Parties may sustain or incur as a result of the undersigned's participation in the Parade. The undersigned also agrees to purchase insurance adequate to cover this risk. Part of the consideration for this Release and Indemnification Agreement is the permission granted by the Released Parties to allow participants in the Parade to cross the tracks and cross under the catenary (overhead electrical lines) of the TECO Electric Streetcar Line during the Parade. It must be agreed that no one person (and costume elements) who stands on a platform at the maximum floor height of 11 feet can be over six feet tall. But for the execution and delivery of this Release and Indemnification Agreement by each float sponsor and participant in the Parade the Released Parties would not have granted such permission. I do personally warrant that I am authorized to execute this document on behalf of the entity identified submitted here.

Parade Rules

I am an authorized representative and do hereby agree that I will review and share the Parade rules with my organization. I will read, understand and print out if needed the Parade rules and confirm that we will follow these rules.

Vendor Safety Compliance "Throw" Letter

All of My Organization's Beads or Throws that will be distributed at the Parade have been purchased from a vendor which meets or exceeds current federal, state and local standards. They are aware of, and acknowledge, the lead-free and phthalate-free stipulations contained in the Consumer Product Safety Improvement Act, effective February 2009 and have provided a letter stating that only Grade "A" and/or phthalate-free throw beads are sold. This letter is available upon request from your bead supplier. My Organization is aware of, and acknowledge, the lead-free and phthalate-free stipulations contained in the Consumer Product Safety Improvement Act, effective February 2009, and have explained the new criteria to all members of My Organization that will participate in the Parade.

Proof of Insurance

This is a requirement for all groups who will be utilizing a float. If you are renting a float from a professional float company, that company will usually provide the insurance form for the float. If you own your own float, the organization is responsible for providing the insurance form. This does not apply to regular vehicles (cars, trucks or Jeeps) which only need normal vehicle proof of insurance. Proof of Insurance must state the below in it's exact form:

Additional Insured: Tampa Pride, Inc. and their sponsors are named additional insured with waiver of subrogation under General Liability and Automobile Liability with respect to Liability arising out of any operation of named insured in connection with the Parade. The afforded additional insurance shall be primary and non-contributory insurance and any other valid and collectible insurance available to additional insureds shall be excess insurance.
